

## How to enter license key for HDPOS smart.CS?

Once your trial period has been expired and you have purchased a license key, here is what you would need to do to enter the license key.

In **HDPOSsmart .CS** , you would need to enter the HDPOSsmart Client license key, and if the server key has not been entered yet, that too needs to be entered.

1. Run **HDPOSsmart**.
2. You would see the **Client Registration** screen as shown below.
