

# How to rearrange buttons on main screen tool strip?

To rearrange buttons on main screen toolbar in HDPOS smart, follow the steps below.

1. Run **HDPOS smart**. From the Main Screen, you can see the default tool strip buttons as shown below.

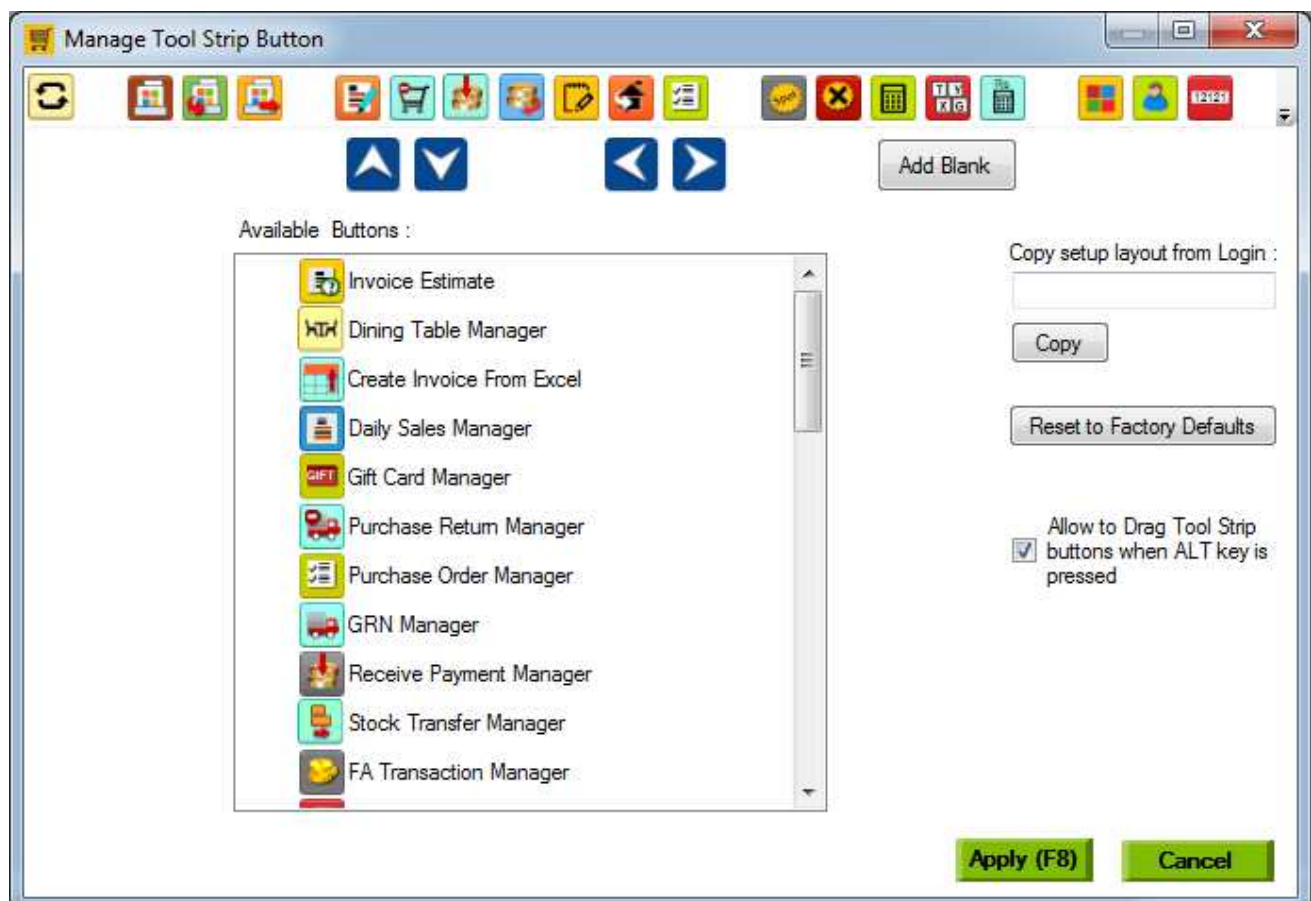

2. The default tool strip buttons on main screen are:

- Current Cash Register Amount Details,
- Cash Register Transfer Document
- Change Cash Register
- Sales Invoice Manager

- Sales Return Manager
- Receive Payment
- Change Item Price
- Add Notes
- Change Business Location
- Show Purchase Price
- Add Spot Discount
- Cancel Spot Discount
- Calculator
- On –Screen Keyboard
- Currency Calculator
- Pictorial Billing
- Switch User
- Add Label

3. To rearrange them, click on **Manage Tool Strip** button.

4. You will see **Manage Tool Strip Button** screen as shown below.

5. To add any button on the main screen tool strip, select it from **Available Buttons** Section and click on up arrow button

6. To remove any button from main screen tool strip select it from tool strip and click on down arrow button.

7. If you want to change the position of any tool strip button, select it and click on the left or right arrow button based on requirement to move the button to left or right.

8. Add Blank: If you want to give space between any two buttons on tool strip, select the button after which you want to add blank space and click on Add Blank button.

9. Copy setup layout from login: Enter the login name from where you want to copy the layout of main screen tool strip. Click on Copy button to copy the layout.

Note: This is useful when you have many employees and want to keep the same layout for all employees. Set the layout for one employee and copy the layout for all other employees, so that they all will have same button on main screen tool strip.

10. Reset to Factory Defaults button: To see the default buttons on the main screen click on Reset to Factory Defaults.

11. Allow to Drag Tool Strip Buttons when ALT key is pressed check box: When this checkbox is checked you can drag the tool strip buttons by pressing the ALT key on your keyboard.
