How to switch Cash Register from POS main (Billing Screen)

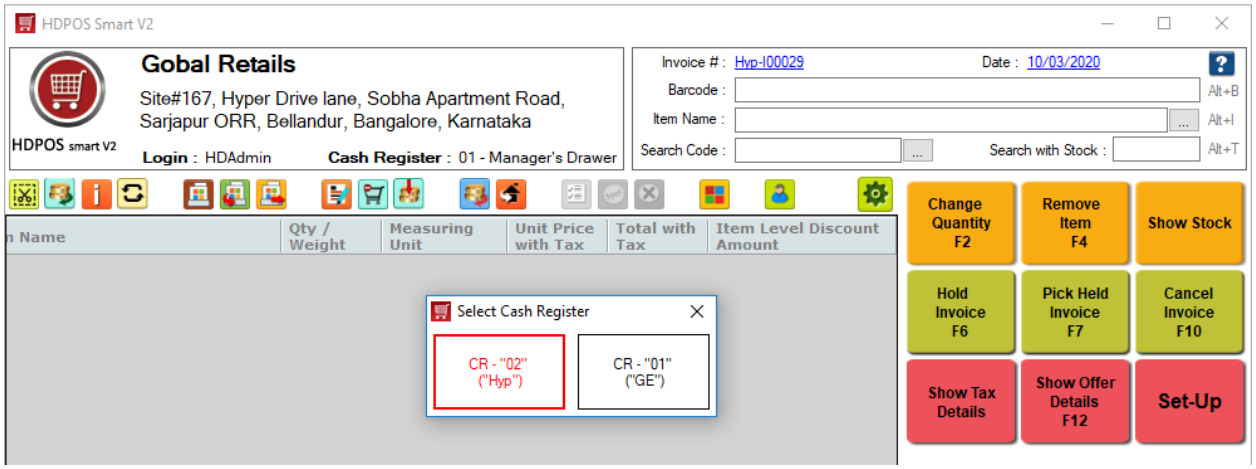

HDPOS smart v2 Tutorials

To change quickly from one cash register to another from the main screen, follow the steps below.

1. Run HDPOS smart. From Main Invoice screen, Click on Set-Up.
2. Click on Cash Register (Text) to switch the cash register.

3. You will be prompted **Select Cash Register** screen as shown below.

4. Select the cash register to which you want to change.

Note: Cash Register currently in use will be displayed in Red color. Selecting Cash Register that is currently in use will end session of the user who is currently using the cash register.

Note: Cash Register associated with logins will not be available for selection.

5. Now you can see that in Main Invoice screen, Cash Register has been changed.
